

Love or a Game

James Brown

One of these days
You gonna miss me
So many ways
Lord have mercy
You gonna miss me
I wanna know
Is it love, is it a game

And if it's love
Can I, can I explain
Tell me, Lord have mercy
You know you told me
That you love me
That your love I'll always share
But now baby hey
You showed me
'Bout your love, my love
Will we compare
I wanna know
Is it love, is it a game

And if it's love
Can I, can I explain
