

Burn The Cat

James

It's a matter of reason Oh shit Never no reason, never no reason
Never no reason, never no reason For a short sharp shock Never
no reason, never no reason Never no reason, never no reason For
a short sharp shock What kind of message do you think you're
giving your generation?

Burn the cat, burn the cat..... Burn the cat, burn the cat....
.

What are you going on about? What are you going on about? What
are you going on about? What are you going on about? What are y
ou going on about?

Kill her, kill her, kill her
