Crash

James

A diva, a leaver, a lawyer, imagine, imagine
A fever, a vision, derision, imagine, imagine

Someone got hurt, someone got high
Someone got left behind the lies
Someone got hurt, someone got high
Some of them left the rest behind

All of your mail is unaddressed
Cut the Herman free from the Hesse
Crash, crash, crash, crash, crash, crash

A letter, a photo, etcetera, etcetera, a Judas
A hotel, a motel, a motive, imagine, imagine

Someone got hurt, someone got high
Someone got left behind the lies
Someone got hurt, someone got high
Some of them left the rest behind

All of your mail is unaddressed
Cut the Herman free from the Hesse
Crash, crash, crash, crash, crash, crash

This is hell, this is hell

Crash, crash, crash, crash, crash, crash
Crash, crash, crash, crash, crash, crash
Crash, crash, crash, crash, crash, crash
