Oh, it's a late show
Oh, it's, it's it's a late show

I'm afraid of loneliness swallowing me
I'm afraid of loneliness swallowing me
Swallowing me

Bow down, bow down with someone
Bow down, bow down with somewhere

It's, it's, it's a better than me
It's, it's, it's a better than me

I'm afraid of loneliness swallowing me
I'm afraid of loneliness swallowing me

Bow down, bow down with somewhere
Bow down, bow down with someone

It's, it's, it's a better than me
It's, it's, it's a better than me

Oh, it's a late show
Oh, it's, it's it's a late show

I'm afraid of loneliness swallowing me
I'm afraid of loneliness swallowing me

Hula-hey-rey, hula-hey-rey, hula-hey-rey, hula-hey-rey
Hula-hey-rey, hula-hey-rey, hula-hey-rey, hula-hey-rey

Are you swallowing me?
Are you swallowing me?
Are you swallowing me?
Are you swallowing me?

Swallowing me
Swallowing me
Swallowing me
Swallowing me
