

Waltzing Along

James

Help comes when you need it most
Im cured by laughter
Mood swings
Not sure I can cope
My life's in plaster

May your mind set you free (a feelig by the wonderfull)
May your heart lead you on
May your mind let you see through all disasters
May your heart lead you on

These wounds are all self imposed
Life's no disaster
All roads lead on to death row
Who knows whats after

May your mind be wide open
May your heart beat strong
Maybe your minds will be broken
By this heartfelt song
May your mind set you free (a feeling by the wonderful)
May your heart lead you on
May your mind let you be
May your heart lead you on
May your eyes let you see through all disasters
May your heart lead you on
May your mind be wide open
May your heart lead you on

lead you oooooooooooooon
set you freeeeeeeeeeeeee
