

# I'm Glad There Is You

Jamie Cullum

Said I many times, love is illusion,  
a feeling result of confusion  
with knowing smile and blasé sigh  
a cynical so and so, am I

I feel so sure, so positive  
so utterly unchangeably certain  
though I never was aware of loving you  
'til suddenly I realised there was love in you and oh

In this world of ordinary people  
extraordinary people,  
I'm glad there is you

In this world of overrated pleasures  
and underrated treasures  
I'm glad there is you

I live to love  
I love to live with you beside me  
this role, so new  
I'll muddle through with you  
if you'll guide me through

In this world where many, many play at love  
and hardly any stay in love  
I'm glad there is you

More than ever, I'm glad there is you

Said I many times, love is illusion
