

Trying to Find Atlantis 2.0

Jamie O'Neal

I hear he's out there somewhere
Been looking for him everywhere
From Roswell to Timbuktu
I thought I found him once at a Jiffy Lube
But it turned into a dead end
So I got my oil change and I tried again
He was a major in archaeology
I was digging on him but he wouldn't on me

A girl trying to find herself the perfect man is
Like trying to find Atlantis

It's a mystery like the deep blue sea
You can take it, you can leave it, but I'll still believe
So I won't give up and I won't give in
I know I'm gonna find him, I just don't know where
A girl trying to find herself the perfect man is
Like trying to find Atlantis, oh

I met a mystic down in Memphis
We stood at the foot of the pyramid
He had me looking east, had me looking west
Then he sold me a map and said, "I wish you the best"
Then there was Elvis, and not the real one
When he told me goodbye, he called me "hun"
Just another shot in the dark
Like El Dorado or Noah's Ark

A girl trying to find herself the perfect man is
Like trying to find Atlantis, here we go

It's a mystery like the deep blue sea
You can take it, you can leave it, but I'll still believe
So I won't give up and I won't give in
I know I'm gonna find him, I just don't know where
A girl trying to find herself the perfect man is
Like trying to find Atlantis, oh
Yeah, you know that's right

Oh, yeah it is

It's a mystery like the deep blue sea
You can take it, you can leave it, but I'll still believe
I won't give up and I won't give in
Yeah, I know I'm gonna find him, I just don't know where
A girl trying to find herself the perfect man is
Like trying to find Atlantis
I said a girl trying to find herself the perfect man is
Like trying to find Atlantis
Trying to find Atlantis, yeah

Oh, I'm still trying to find Atlantis
Whoa, I'm still trying to find
Ooh, I'm trying to find Atlantis
Atlantis
