Feels good

I'm stranded on a spaceship hideaway And something makes me think I'm here to stay I'm so happy where I am

Feels good

I've journeyed to the other atmosphere And every breath I take just makes it clear I'm holding heaven in my hands It's automatic baby and it feels so good

Feels good These extra-sensory sensations

Are causing me some complications

Electrostatic information

Feels good

I'm playing with a pleasure trafficker Arriving soon intergalactica I'm holding heaven in my hands It's automatic baby and it feels good
