

Since I Met You Baby

Jan Howard

Since I met you baby my whole life has changed
Since I met you baby my whole life has changed
Everybody tells me that I'm not the same
I don't need nobody to tell my troubles to I don't need nobody
to tell my troubles to
Cause since I met you baby all I need is you
Since I met you baby I'm a happy soul since I met you baby I'm
a happy soul
I'm gonna try to please you every way I know hmm hmm
