

# Come Give Your Love to Me

Janet Jackson

How can I get you to notice that I want you  
My heart's on fire with desire 'cause I love you  
There's no time for waiting, begging, I would tell you  
So there's no doubt, I'll spell it, come give it to me  
Give it

Come give your love to me  
Come give your love to me  
Come give your love to me  
Come give your love to me

You've turned the spark of my love into a raging flame  
And now I need to convince you to feel the same  
So don't you stay over there talkin' 'bout the way I feel  
'cause, baby, talk is cheap, actions speaks louder than words

Come give your love to me...

Hey baby love, just don't make me wait  
For you, I'm so weak  
You know I'll do anything it takes, so I beg you please
