

# Beautiful Pain

Jann Arden

Beautiful pain  
Beautiful hurt  
Beautiful face  
Beautiful earth

And you my love, most lovely of all  
Won't fall

Beautiful heart  
Beautiful words  
Beautiful loss  
Beautiful world

And you my love, most lovely of all  
Oh you my love, most lovely of all  
Won't fall

Wonderful days  
Wonderful sounds  
Barely a breath  
It's heaven or hell

And you my love, most lovely of all  
Oh you my love, most lovely of all  
Won't fall

And you my love, most lovely of all  
Oh you my love, most lovely of all  
Won't fall

Beautiful pain
