

# I Just Don't Love You Anymore

Jann Arden

I just don't love you  
Like I used to, like before  
I just don't love you  
The way you want me to  
No I don't love you anymore

And I've been crying

I just don't love you  
Don't love you (3x)  
Don't love you, anymore

You lie to me  
Cry to me  
Crawl on your hands and your knees begging please  
Well what do you want?  
What is it you need?  
I've given you all that I have  
I just don't love you, anymore  
No, I don't love you

You pull me down  
Push me around  
I've had about all I can take  
You fooled around  
Busy doing the town  
Constantly leaving your bait  
Yes, I've been crying, over you  
No I don't love you

You lied to me  
Cried to me  
Crawl on your hands and your knees begging please  
Well what do you want?  
What is it you need?  
I've given you all that I have  
I just don't love you, anymore  
No I don't love you

And I've been crying
