

Life Is Sweet

Jann Arden

Life is sweet
(Look at the endless sky)
Life is dear
(And your face is beautiful)

Life is bliss
(I don't want anything from you)
Life is joy
(I'm happy having only this)

I, I am thankful for the time I have here
And I, I

I have love
Life is sweet
(Can you smell the flowers)
Life is dear
(You will never count the stars)
Life is bliss

Fear nothing

I, I am thankful for the time I have here
I, I am hopeful we will see it clearly
I, I

I have love
