

# No Allegiance to the Queen

Japandroids

You bought us with zeros  
You bought us with ones  
We saw a small screen  
But we never saw the funds

We're still bleeding  
But we're still breathing too  
You need our money  
More than we need you

We need air  
Air  
We need air  
Air

We need air  
Air  
We need air  
Air

We need air  
Air  
We need air  
Air

I'm dreaming currency  
And it's aging me

I'm dreaming currency  
And it's aging me

I'm dreaming currency  
And it's aging me

I'm dreaming currency  
And it's aging me

No allegiance to the queen  
(No allegiance to the queen)  
No allegiance to the queen  
(No allegiance to the queen)

No allegiance to the queen  
(No allegiance to the queen)  
No allegiance to the queen  
(No allegiance to the queen)

No allegiance to the queen  
(No allegiance to the queen)  
No allegiance to the queen  
(No allegiance to the queen)
