

Worlds Apart

Jars of Clay

A9 Bsus A9
I am the only one to blame for this

A9 Bsus F#7sus
Somehow it all ends up the same

A9 Bsus C#mi7
Soaring on the wings of selfish pride

A9 Bsus F#7sus
I flew too high and like Icharus I collide

C#mi7 Bsus A9 A9
With a world I try so hard to leave behind

C#mi7 Bsus A9 A9
To rid myself of all but love, to give and die

A9 Bsus A9
To turn away and not become

A9 Bsus F#7sus
Another nail to pierce the skin of one who loves

A9 Bsus C#mi7
More deeply than the oceans, more abundant than the tears

A9 Bsus F#7sus
Of a world embracing every heartache

C#mi7 Bsus A9 A9
Can I be the one to sacrifice

C#mi7 Bsus A9 A9
Or grip the spear and watch the blood and water flow

C#mi7
(To love you)

E A9
Take my world a - part
(To need you)

A9 C#mi7
I am on my knees
(To love you)

E A9
Take my world a - part
(To need you)

A9 C#mi7Bsus A9 A9
Broken on my knees

A9 Bsus A9
All said and done I stand alone

A9 Bsus F#7sus
Amongst remains of a life I should not own

A9 Bsus C#mi7
It takes all I am to believe

A9 Bsus F#7sus
In the mercy that covers me

C#mi7 Bsus A9 A9
Did you really have to die for me

C#mi7

Bsus

All I am for all you are because what I need

A9

And what I believe are worlds apart

A9

And I pray

C#mi7Bsus A(9) A(9)

On my knees

C#mi

I look beyond the empty cross

B

Forgetting what my life has cost

A9

I wipe away the crimson stains

A9

And all the nails that still remain

C#mi

More and more I need you now

B

I owe you more each passing hour

A9

The battle between grace and pride

A9

I gave up not so long ago

C#mi

So steal my heart and take the pain

B

And wash the feet and cleanse my pride

A9

Take the selfish, take the weak

A9

And all the things I cannot hide

C#mi

Take the beauty, take my tears

B

My sinful soiled heart, make it pure

A9

Take my world, it all is yours

A9

Take it now, take it now

C#mi7

C#mi7

To serve the ones that I despise (To love you)

E

E

Speak the words I can't deny

A9

Take my world a - part

(To need you)

A9

And watch the world I used to know

A9

Fall to dust and blow away

I am on my knees

I look beyond the empty cross
