Α9 Bsus A9

I am the only one to blame for this

A9 Bsus F#7sus

Somehow it all ends up the same

Bsus C#mi7

Soaring on the wings of selfish pride

A9 Bsus F#7sus

I flew too high and like Icharus I collide

C#mi7 Bsus

With a world I try so hard to leave behind

C#mi7 Bsus A9

To rid myself of all but love, to give and die

A9 Bsus

To turn away and not become

A9 Bsus F#7sus

Another nail to pierce the skin of one who loves

Bsus C#mi7

More deeply than the oceans, more abundant than the tears

A9 Bsus F#7sus

Of a world embracing every heartache

Bsus C#mi7 A9 A9

Can I be the one to sacrifice

Or grip the spear and watch the blood and water flow

C#mi7

(To love you)

Take my world a - part (To need you)

A9 C#mi7

I am on my knees

(To love you)

Take my world a - part

(To need you)

C#mi7Bsus A9 A9

Broken on my knees

A9 Bsus

All said and done I stand alone

Bsus F#7sus

Amongst remains of a life I should not own

A9 Bsus C#mi7

It takes all I am to believe

A9 Bsus F#7sus

In the mercy that covers me

C#mi7 Bsus A9 A9

Did you really have to die for me

```

                                         Bsus
All I am for all you are because what I need
                       Α9
And what I believe are worlds apart
And I pray
     C#mi7Bsus A(9) A(9)
On my knees
    C#mi
I look beyond the empty cross
Forgetting what my life has cost
   Α9
I wipe away the crimson stains
And all the nails that still remain
More and more I need you now
I owe you more each passing hour
The battle between grace and pride
I gave up not so long ago
    C#mi
So steal my heart and take the pain
And wash the feet and cleanse my pride
Take the selfish, take the weak
    Α9
And all the things I cannot hide
C#mi
Take the beauty, take my tears
My sinful soiled heart, make it pure
Take my world, it all is yours
Take it now, take it now
  C#mi7
                                     C#mi7
To serve the ones that I despise (To love you)
Speak the words I can't deny
Α9
Take my world a - part
(To need you)
And watch the world I used to know
                           Α9
Fall to dust and blow away
C#mi7
I am on my knees
(To love you)
   C#mi7
I look beyond the empty cross
Forgetting what my life has cost
