

# Fuckingsong

Jarvis Cocker

I will never get to touch you  
So I wrote this song instead  
Thinking about you lying in a bed  
It's gonna get inside your head

And it's the best that I can do  
This is the closest I can get  
So let it penetrate your consciousness  
Oh, oh, oh, oh, oh yes

Oh, turn it up, turn me on  
I'm feeling good but don't get me wrong  
I know it's just a song

And every time you play it  
I will perform the best I can  
Press repeat and there I am, and there I am  
Always glad to be your man

Yeah, and this way  
Oh well, there won't be any mess  
As I assure you that there would be in the flesh  
Oh, this is my very, very best

Turn it up, turn me on  
I'm feeling good but don't get me wrong  
'Cause I know it's just a song

Always eager, always ready  
Always in tune and always primed  
And I'm always there for you  
I'm always on time, unlike in real life

Turn it up, turn me on  
I'm feeling good but don't get me wrong  
No, don't get me wrong, don't get me wrong  
'Cause I know it's just a fucking song
