

Move

Jason Gray

It's not that I don't trust you, I do
But I don't trust myself to hear from you
'Cause I've been known to jump the gun
When I should've walked I have run
Yes, I have run out ahead of you

Now I don't want to blink
I don't want to breathe
I don't want to move unless you're moving me
Oh no, I don't want to go until I know
That it's you
Behind the scenes
To close and open doors for me
I don't want to move unless you're moving me

Each time I step out on my own
I wind up broken and alone
But every time I get off track
You are always there to call me back
Always calling me back home

Now I don't want to blink
I don't want to breathe
I don't want to move unless you're moving me
Oh no, I don't want to go until I know
That it's you
Behind the scenes
To close and open doors for me
I don't want to move unless you're moving me

'Cause everytime it breaks my heart
To have to go back to the start
But I want to thank you for Your amazing grace
While I learn from my mistakes

Now I don't want to blink
I don't want to breathe
I don't want to move unless you're moving me
Oh no, I don't want to go until I know
That it's you
Behind the scenes
To close and open doors for me
I don't want to move unless you're moving me
Cause I have failed so many times before
And I don't want to do that anymore
No I don't want to move unless you're moving me
