

## 93 Million Miles

Jason Mraz

93 million miles from the Sun, people get ready, get ready,  
'Cause here it comes it's a light, a beautiful light,  
over the horizon in  
to your eyes  
Oh, my my how beautiful, oh my beautiful mother  
She told me, "Son in life you're gonna go far, and if  
you do it right  
you'll love where you are  
Just know, wherever you go, you can always come home"

Ohh... ohh... ohh...  
Ohh... ohh... ohh...

240 thousand miles from the Moon, you've come a long  
way to belong here,  
To share this view of the night, a glorious night, over  
the horizon is  
another bright sky  
Oh, my my how beautiful, oh my irrefutable father,  
He told me, "Son sometimes it may seem dark, but the  
absence of the light is  
a necessary part.  
Just know, you're never alone, you can always come  
back home"

Ohh... ohh... ohh...  
Ohh... ohh... ohh...

You can always come back... back...

Every road is a slippery slope  
There is always a hand that you can hold on to.  
Looking deeper through the telescope  
You can see that your home's inside of you.

Just know, that wherever you go, no you're never alone,  
you will always  
get back home

Ohh... ohh... ohh...  
Ohh... ohh... ohh...

Ohh... ohh... ohh...  
Ohh... ohh... ohh...  
You can always get back home...

93 million miles from the sun, people get ready, get ready,  
'Cause here it comes it's a light, a beautiful light,  
over the horizon in  
to our eyes...
