

# I Won't Give Up

Jason Mraz

When I look into your eyes  
It's like watching the night sky  
Or a beautiful sunrise  
There's so much they hold  
And just like them old stars  
I see that you've come so far  
To be right where you are  
How old is your soul?

I won't give up on us  
Even if the skies get rough  
I'm giving you all my love  
I'm still looking up

And when you're needing your space  
To do some navigating  
I'll be here patiently waiting  
To see what you find

'Cause even the stars they burn  
Some even fall to the earth  
We've got a lot to learn  
God knows we're worth it  
I won't give up

I don't wanna be someone who walks away so easily  
I'm here to stay and make the difference that I can make  
Our differences they do a lot to teach us how to use  
The tools and gifts we got yeah, we got a lot at stake  
And in the end, you're still my friend at least we did intend  
For us to work we didn't break, we didn't burn  
We had to learn how to bend without the world caving in  
I had to learn what I've got, and what I'm not  
And who I am

I won't give up on us  
Even if the skies get rough  
I'm giving you all my love  
I'm still looking up

So easy is our life  
What's mine is yours and yours mine  
Hardly do we ever fight,  
We'd rather be kind.

I won't give up on us  
Even if the skies get dark  
I'm healing this broken heart  
I know I'm worth it...

I won't give up on us (no I'm not giving up)  
God knows I'm tough enough (I am tough, I am loved)  
We got a lot to learn (we're alive, we are loved)  
Lady you're worth it (and we're worth it)  
No, I won't give up on us (no I'm not giving up)  
God knows I'm tough enough (I am tough, I am loved)  
We got a lot to learn (we're alive, we are loved)

Lady you're worth it (and we're worth it)  
No, I won't give up..
