

# More Than Friends

Jason Mraz

It feels like we've been friends forever, yeah  
And we always see eye to eye  
The more time we spend together  
The more I wanna say what's on my mind

Take it easy  
'Cause it ain't easy to say

I wanna be more than friends  
I wanna be more than friends  
I wanna tell everyone you're taken  
And take your hand until the end  
I wanna be more than friends

At the risk of sounding foolish  
I don't wanna fool around no more  
If we're gonna do this then let's do this  
You can fix my broken heart if it's all yours

So take it easy  
'Cause it ain't easy to say

I wanna be more than friends  
I wanna be more than friends  
I wanna tell everyone you're taken  
And take your hand until the end  
I wanna be more than friends

I'm asking you to be my baby  
I'm giving you my heart, don't break it  
I'm crushing and I'm going crazy  
Either way I know we'll make it

Take it easy  
It ain't easy to say  
I'll take it easy  
I'll take it easy  
It ain't easy to say

I wanna be more than friends  
I wanna be more than friends  
I wanna tell everyone you're taken  
And take your hand until the end  
I wanna be more than friends (friends)  
I'm asking you to be my baby (Meghan: asking you to be my baby)  
I'm giving you my heart, don't break it (Jason: giving you my heart,  
don't break it)  
I'm crushing and I'm going crazy (hey)  
Either way I know we'll make it (Jason: I know, I know, I know we'll  
make it)
