

You Are Holy

Jason Upton

You Are Holy, Like No Other
You Are Holy, there's No Other Like You
You Are Holy, Like No Other
You Are Holy, there's No Other Like You

There's No Other Like You
There's No Other Like You
There's No Other Like You
There's No Other Like You

And You Are Holy, Like No Other
And You Are Holy, there's No Other Like You
You Are Holy, Like No Other
You Are Holy, there's No Other Like You

No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
You Are Holy
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
No Other Like You
