

Cruel

Jax Jones

(Whatcha, whatcha gon' do?)

You're so good to me
When I'm so, I'm so bad to you, yeah, you
Yeah, you
Yeah, you're, you're so good to me
When I'm so, I'm so bad to you, yeah, you
Yeah, you

You confess your love to me
Do you mean it?
Voices in your head say leave
But you need it
Mixed up with someone like me
But you're breathin'
You're breathin'

Crawlin' over bad things that I did
Even though it hurts you, you like it
And you don't wanna leave, leave, leave, leave
You don't wanna leave, leave, leave me

So tell me now, are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt? are you hurt?
Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt?

So tell me now
So tell me now

You're such a fool for me
When I'm so, I'm so cruel to you, yeah, you
Yeah, you
Yeah, you're such a fool for me
After all I do to you, yeah, you
Yeah, you

You confess your love to me
Do you mean it?
Voices in your head say leave
But you need it
Mixed up with someone like me
But you're breathin'
You're breathin'

Crawlin' over bad things that I did
Even though it hurts you, you like it
And you don't wanna leave, leave, leave, leave
You don't wanna leave, leave, leave me

For anybody else this is torture
But every thing I do to you brings you closer
And you don't wanna leave, leave, leave, leave

You don't wanna leave, leave, leave me

So tell me now, are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt? are you hurt?
Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt?

So tell me now
Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt?

So tell me now
Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt?

So tell me now
Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt?

So tell me now
Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt?

So tell me now
So tell me now
So tell me now
So tell me now
So tell me now

Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurt? are you hurt?
Are you hurting love?
Are you hurting love?
Are you hurting love?
Are you hurting love?
So tell me now

Are you hurting love?
Are you?
Are you hurting love?
Are you?
