

D'evils

Jay-Z

Dear God, I wonder can you save me?
Illuminati want my mind, soul, and my body.

Dear God, I wonder can you save me?
Secret Society, Tryin to keep their eye on me

Dear God, I wonder can you save me?
Illuminati want my mind, soul, and my body.

Dear God, I wonder can you save me?
I can't Die, I can't Die, I can't Die [echoes fade]

(Uh, yeah)
This shit is wicked on these mean streets
None of my friends speak
We're all trying to win, but then again
Maybe it's for the best though, 'cause when your're saying too much
You know they're trying to get you touched
Whoever said illegal was the easy way out couldn't understand the mechanics
And the workings of the underworld, granted
Nine to five is how ya survive, I ain't trying to survive
I'm trying to live it to the limit and love it alive
Life illz, poison my body
I used to say 'fuck mic skills, ' and never prayed to God, I prayed to Gotti
That's right it's wicked, west life I live it
Ain't asking for forgiveness for my sins, endz
I break bread with the late heads, picking their brains for angles on
All the evils that the game'll do
It gets dangerous, money and power is changing us
And now we're lethal, infected with D'Evils...

Dear God, I wonder can you save me?
Illuminati want my mind, soul, and my body.

Dear God, I wonder can you save me?
Secret Society, Tryin to keep their eye on me

Dear God, I wonder can you save me?
Illuminati want my mind, soul, and my body.

Dear God, I wonder can you save me?
I can't Die, I can't Die, I can't Die [echoes fade]
(Yeah, yeah)

We used to fight for building blocks
Now we fight for blocks with buildings that make a killing
The closest of friends when we first started
But grew apart as the money grew, and soon grew black-hearted
Thinking back when we first learned to use rubbers
He never learned so in turn I'm kidnapping his baby's mother
My hand around her collar, feeding her cheese
She said the taste of dollars was shitty so I fed her fifties
About his whereabouts I wasn't convinced
So I kept feeding her money 'til her shit started to make sense
Who could ever foresee, we used to stay up all night at slumber parties
Now I'm trying to rock this bitch to sleep
All the years we were real close

Now I see his fears through her tears, know she's wishing we were still close

Don't cry, it is to be

In time, I'll take away your miseries and make 'em mine, D'Evils...

Dear God, I wonder can you save me?

Illuminati want my mind, soul, and my body.

Dear God, I wonder can you save me?

Secret Society, Tryin to keep their eye on me

Dear God, I wonder can you save me?

Illuminati want my mind, soul, and my body.

Dear God, I wonder can you save me?

I can't Die, I can't Die, I can't Die [echoes fade]

(Yeah)

My flesh, no nigga could test

My soul is possessed by D'Evils in the form of diamonds and lexuses

The exorcist, got me doing skits like Homie

You don't know me, but the whole world owe me

Strip!

Was thought to be a pleasant guy all my fucking life

So now I'm down for whatever, ain't nothing nice

Throughout my junior high years it was all friendly

But now this higher learning got the Remy in me

Liquors invaded my kidneys

Got me ready to lick off, mama forgive me

I can't be held accountable, D'Evils beating me down, boo

Got me running with guys, making G's, telling lies that sound true

Come test me, I never cower

For the love of money, son, I'm giving lead showers

Stop screaming, you know the demon said it's best to die

And even if Jehovah witness, bet he'll never testify, D'Evils...

Dear God, I wonder can you save me?

I can't Die, I can't Die, I can't Die [echoes fade]

[Disc scratch and fade]
