

Put It Off Until Tomorrow

Jean Shepard

You say our love is over that's right I found another you say you're going away

Put it off until tomorrow oh oh you've hurt me enough today

You've hurt me enough today I can't believe the words you say

You must accept the fact I won't be coming back

Oh stay just one more day loneliness isn't far away

Put it off until tomorrow oh oh you've hurt me enough today

I'll stay just one more day but then I must go away

Put it off until tomorrow oh oh you've hurt me enough today

Put it off until tomorrow oh oh you've hurt me enough today
