

Release Me (and Let Me Love Again)

Jean Shepard

Please release me, let me go
I don't love you anymore
To live together is a sin
Release and let me love again

I have found a new love dear
And I'll always want him near
His lips are warm
While yours are cold

Release me my darling, let me go
Please release me, let me go

Can't you see
You'd be a fool to cling to me?
To live a lie would bring a shame
Release me and let me love again

Please release me, let me go
I don't love you anymore
To live together is a sin
Release and let me love again
Release and let me love again
