

Ya, ya, yo. Vinnie Paz, people
Now everybody, now everybody

Now everybody tap on this
[?] Know exactly what to say
Hey
Even when everything is going astray
No, no way
[?]
Just like when pen explode...
I leavin' when them plan expose
See those...
All the people that you have to keep away
See trust me then they know...

I have been to hell before
Befriended the Devil and Skeletor
Wish I could visit the fellas more
Wish that I could get more bodies through the cellar doors
I'm always thinking of others
Should probably think of myself more
But I don't worry about cells and house cores[?]
I'm more into L's than house stores
I like wars and whores
Cores and shores
Liquor and Coors
Sex, cigarettes and sycamores
Always got one to roll up
And one twirled
All about guns and girls in this underworld
So I got a truckload of guns and gusto
But I don't go around shooting ducks and buffalo
I like it when the streets are crowded
I don't think to be discreet about it
Drinkin' blood beats a salad
So I gotta put a lot of work in
Cause I'm usually thirsty again
Before it even leaves the palate.

[Chorus]

I'm shining out here
Jedi Mind grinding out here
I'm from Philly where it's filthy
Take your diamonds out here
Motherfuckers broke eating Top Ramen out here
Fuck the police, graph writers is bombing out here
Ain't nobody better at this fuckin' rhymin' I swear
Any second, any minute, any time of the year
I remember when it was nothing but violence out here
Now these faggots rappin' like they fucking common out here
I'm about to set the mother fuckin' drama out here
45s [?]gebalando? Big lamas out here
Everybody think it's sweet 'cause now Obama out here
He the third cousin of Bush, he lyin' out here
You the lamb I'm the mother fuckin' lion out here
Where were y'all when my step father dyin' last year

I'm once in a lifetime, Haley's Comet out here

[Chorus]

Y'all don't really want to fuck with us
