

Live For the Magic

Jedward

Lets stay wrapped up in a bow of love
And always be together like turtle doves
Cause there's twinkling oasis when we're face to face
Oh, I know for sure, you're my true soulmate

I see star shaped world when you're around
You take me far away from this lonely town
I wanna love you beyond infinity
No one comes close to you, you make me feel I'm complete

So let the games begin, I'm gonna win your heart
Its gonna be a challenge, you're a work of art
Cause all the flavour you bring is what I need
You got me mesmerized, you thought me to believe

Hey, we're all living for the magic
Give me all good things fantastic
Cause life don't have to be dramatic
It can be so sweet, live for the magic

Oh, we're all living for the magic
Give me all good things fantastic
Oh, life don't have to be dramatic
It can be so sweet, live for the magic

Now I'm wondering, do you feel the same?
Cause this joyful feelings taking over me
You gotta power greater then you know
Oh, your beauty conquers my whole world

I know that I deserve you, I'll treat you right
I got you figured out, I know what you like
Yeah, what happens next, you decide
Don't let the fire fade, lets keep this moment alive

So let the games begin, I'm gonna win your heart
Its gonna be a challenge, you're a work of art
Cause all the flavour you bring is what I need
You got me mesmerized, you thought me to believe

Give me all good things fantastic
Cause life don't have to be dramatic
It can be so sweet, live for the magic
