

Prom night

Jeffree Star

We're gonna party like it's prom night
(oh woah)
We're gonna fuck like it's our first time
(oh woah)
We're gonna party like it's prom night
(oh woah)
I just wanna sweat it out
On my clothes and in your mouth,yeah

Dress me up, paint the town
Spike the punch
(oh woah)
Got me gone, I'm blown, I'm out to lunch
(oh woah)
Taser in my pocket
Got the flask, got the pipe
I know, I know what you like
I know, I know what you like

I'll come pick you up
(I know you wanna)
Disappear with us
(we're going under)
Underneath your love
(make a dirty mess)
I'll make you remember this

We're gonna party like it's prom night
(oh woah)
We're gonna fuck like it's our first time
(oh woah)
We're gonna party like it's prom night
(oh woah)
I just wanna sweat it out
On my clothes and in your mouth,yeah

We're gonna party like it's prom night
(oh woah)
We're gonna fuck like it's our first time
(oh woah)
We're gonna party like it's prom night
(oh woah)
I just wanna sweat it out
On my clothes and in your mouth,yeah

Dress me down, turn me on
Spill my drink
(oh woah)
Push it hard, push it good
Make me scream
(AHH oh woah)
I've never done this before
Condom wrappers on the floor
Oops I lied
Yeah we do this all the time

I'll come pick you up

(i know you wanna)
Disappear with us
(we're going under)
Underneath your love
(make a dirty mess)
I'll make you remember this

We're gonna party like it's prom night
(oh woah)
We're gonna fuck like it's our first time
(oh woah)
We're gonna party like it's prom night
(oh woah)
I just wanna sweat it out
On my clothes and in your mouth,yeah

On my clothes and in your mouth,yeah

I can't wait around
I'm gonna steal the crown
Everything I want I get
C'mon gimmie gimmie kiss
(muah)

We don't waste our time
I'm too hot
You're too fine
You take everything I give
C'mon put this on your lips
(ha, ha ha ha)

Oh my god you look so beautiful
Wow, thank you

We're gonna party like it's prom night
(oh woah)
We're gonna fuck like it's our first time
