

# Summer Nights

Jeffrey Osborne

Sitting out in my backyard with those friends of mine  
Thinking bout the memories we shared, good times  
Not could be more [?] than a summer night  
Sipping on some Henny and feeling fine

Talking bout the crazy things together we've done  
Talking bout our family, friends and all our loved ones  
Talking bout how different this whole world has become  
And much more, I love those summer nights

(Heh-heh-hey) (Heh-hey, heh-hey) Come on  
I love those summer nights (Summer nights) Oh  
(Heh-heh-hey) (Heh-hey, heh-hey) Come on  
I love those summer nights (Summer nights)

Look there on the table, food is all around  
[?] yourself a plate and dig in, come on  
Hey there tonight the karaoke's going down  
Everybody singing their favorite song

Hanging out together we just have so much fun  
Talking bout our family, friends and all our loved ones  
Talking bout the crazy [?] to come  
And much more, I love those summer nights

(Heh-heh-hey) (Heh-hey, heh-hey) Come on  
I love those summer nights (Summer nights) Oh  
(Heh-heh-hey) (Heh-hey, heh-hey) Come on  
I love those summer nights (Summer nights) (Yeah)  
(Heh-heh-hey) (Heh-hey, heh-hey) Come on  
I love those summer nights (Summer nights) Oh  
(Heh-heh-hey) (Heh-hey, heh-hey) Oh-oh  
I love those summer nights (Summer nights)

Oh-oh, oh-oh

(Heh-heh-hey) Heh-hey, heh-hey, alright  
I love those summer nights (Summer nights)

I love those summer nights (Summer nights)  
(Heh-heh-hey) (Heh-hey, heh-hey) I don't know if you heard me, oh

Talking bout the summer, summer, summer, summer nights

Summer, summer, summer, summer nights (Summer nights)
