I'm calling his phone up just to tell him how much I really love him 'cause he's everything I want He listens to me, cares for me so I truly believe

God sent me an angel from above

That's gonna love me for life

Might as well be perfect only because

If this isn't love, tell me what it is 'Cause I could be dreaming or just plain crazy If this isn't love, tell me what it is 'Cause I never felt like this baby If this isn't love

L O V E, what is in me? L O V E, oh, if this isn't love L O V E, what is in me? L O V E, oh, if this isn't love

It's the only way I can describe, so

I'm selfish 'cause I don't wanna share him with nobody Not even those people that came before me But see, I never believed

God would send me an angel up from above That's gonna love me for life
Might as well be perfect only because
It's the only way I can describe, so

If this isn't love, tell me what it is
'Cause I could be dreaming or just plain crazy
If this isn't love, tell me what it is
'Cause I never felt like this baby
If this isn't love

L O V E, what is in me? L O V E, oh, if this isn't love L O V E, what is in me? L O V E, oh

So if you got real love
Lemme see you put your hands up
See you put your hands up
The kind of love that fits quite like a glove

Lemme see you put your hands up See you put your hands up If this isn't love

'Cause I know I ain't crazy I know I ain't tripping I know I ain't slipping I know that it's love

You see me with my hands up
If you think I'm dreaming
I know I ain't dreaming

'Cause this is the reason I love him because If this isn't love

If this isn't love, tell me what it is 'Cause I could be dreaming or just plain crazy If this isn't love, tell me what it is 'Cause I never felt like this baby

L O V E, what is in me?
L O V E, oh, if this isn't love
L O V E, what is in me?
L O V E, oh, if this isn't love

Love, L O V E Love, L O V E
