

Here In The Sun

Jennifer Paige

If I had any luck in the world you and I would be together
Cuz you roll in and shower me like rain in the middle of the summer

You're like a cool breeze blowing
Wanna feel the wind rushing through my hair
Cool breeze, cleanse me
All I know is I feel you everywhere

CHORUS

Every day's a little better as long as I'm here in the sunshine
Every day's a little better as long as I'm here in the sunshine
Lalala- lalalala

Maybe I'm just dreaming here to think you would surrender
Cuz you stroll in like a sunny day in the middle of the winter
Just like a cool breeze knowing
That you could fly away and leave without a care
Cool breeze, floating
All I know is I still feel you in the air

CHORUS

Every day's a little better as long as I'm here in the sunshine
Every day's a little better as long as I'm here in the sunshine
Lalalala- lalalala

Don't go away, please stay

CHORUS

Every day's a little better as long as I'm here in the sunshine
Every day's a little better as long as I'm here in the sunshine
Lalalala- lalalala
