

# These Days

Jennifer Paige

Some days, I couldn't get up  
I couldn't get down  
Bored of everything  
Somehow a little black cloud  
Rained over me

Someone was making me mad  
Good turned bad  
And I lose everything  
To get you back  
Just to get you back

But  
These days the world's alright  
The sun shines bright  
I'm kicking off the bad dreams  
These days, I don't think twice

I walk on light  
I'm positively somewhere  
These days go on long after you've gone  
These days go on long after you've gone  
These days go on and on and on and on and on

Out of the fire into the swimming pool  
Sometimes, I drown my tears  
Same old fears come back  
Someone was making me ill

I bet you're still  
A two, three, four letter word  
Guess you heard  
Pretty little birds fly home

But  
These days the sun kicks in  
The good guys win  
I'm legal in the back seat  
These days, I'm safe and sound

Not dragged down  
You want to know the reason  
These days, go on long after you've gone  
These days, go on long after you've gone  
These days, go on and on and on and on and on

Thank you for not being here  
I feel better when you're not  
Sleeping in my head  
Tossing and turning  
Messing up the sheets

The love we made was incomplete  
Like the shoes on your feet  
The same stuff, I've heard it before  
That philosophy starting to bore me  
Now you won't have to smile and ignore me

These days the karma's right  
The sun shines bright  
I'm kicking out the bad dreams  
These days I don't think twice

I walk on light  
I'm positively somewhere  
These days go on  
(And on and on and on and on)  
These days go on  
(And on and on and on and on)  
These days go on  
(And on and on and on and on)

Oh yeah, remember these days  
On and on and on and on and on  
Oh yeah, remember these days  
On and on and on and on and on  
Oh yeah, remember these days  
On and on and on and on and on

Remember these days go on  
Remember these days go on  
Oh yeah, oh yeah
