

# If You're Ever Gonna Lose My Love

Jennifer Rush

Round and round  
Slowing down  
When you're finding  
That the world is so much colder  
Than you knew  
All I know is its you  
That makes it all seem right  
When there's no hope for me in sight  
And all I know, whenever I'm close to you  
Theres just one hurt that would be too much  
If you should, walk away

If you're ever gonna lose my love  
I'll help you find it  
If you're ever gonna lose my love  
I'll help you find it  
If you ever feel you've lost my love  
I will help you find it  
If you're ever gonna lose my love  
I'll help you find it  
If you're ever gonna lose my love  
I'll help you find it  
If you ever feel you've lost my love  
I will help you find it

Now and then looking back  
I get the feeling you don't know  
The difference you have made  
So much more than you know  
As time goes by just realise  
You're never out of my mind  
And out of sight does not mean  
That I'm not here  
I've got to do all I can to  
Try and show you, understand

If you're ever gonna lose my love  
I'll help you find it  
If you're ever gonna lose my love  
I'll help you find it  
If you ever feel you've lost my love  
I will help you find it  
If you're ever gonna lose my love  
I'll help you find it  
If you're ever gonna lose my love  
I'll help you find it  
If you ever feel you've lost my love  
I will help you find it

If you're ever gonna lose my love  
I'll help you find it  
If you're ever gonna lose my love  
I'll help you find it  
If you ever feel you've lost my love  
I will help you find it  
If you're ever gonna lose my love  
I'll help you find it
