

The Power of Love

Jennifer Rush

G
The whispers in the morning
Em
Of lovers sleeping tight
G
Are rolling like thunder now
D
As I look in your eyes

G
I hold on to your body
Em
And feel each move you make
C
Your voice is warm and tender
G **D**
A love that I could not forsake

G
'Cause I am your lady
C
And you are my man
Am
Whenever you reach for me
D
I'll do all that I can

G
Lost is how I'm feeling
Em
Lying in your arms
G
When the world outside's too much to take
D
That all ends when I'm with you

G
Even though there may be times
Em
It seems I'm far away
C
Never wonder where I am
G **D**
'Cause I am always by your side

'Cause I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

G
We're heading for something
C
Somewhere I've never been
Am **D**
Sometimes I am frightened but I'm ready to learn
C **G**

Of the power of love

C **D** **G**
The sound of your heart beating
C **D** **Em**
Made it clear suddenly
C **D** **G**
The feeling that I can't go on
C **D**
Is light years away

'Cause I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

We're heading for something
Somewhere I've never been
Sometimes I am frightened but I'm ready to learn
Of the power of love

We're heading for something
Somewhere I've never been
Sometimes I am frightened but I'm ready to learn
Of the power of love
huu... the pover of love
The pover of love
Sometimes I am frightened but I'm ready to learn
Of the power of love
