

## Back Where I Started

Jennifer Warnes

Dancin' backwards  
Wound up in another place and time  
No way of knowing  
Where I was headed to

Maybe I was runnin' away  
Like always  
Sure wasn't ready for somethin' new

How did I wander  
Back where I started?  
I'm so glad  
I found you there

Time was a' wastin' away  
Like water through my hands  
And love was drippin' from my soul  
Caught up in the motion, motion that is every man  
Spinnin' out of control

How did I wander back to where I started?  
I'm so glad I found you there  
Ooh, I'm so glad  
I found you there

Seems like I've know you a thousand years  
Seems like I've watched you grow from a child  
And it's hard to remember the first time I saw your face  
With the moonlight in your smile

How did I wander back where I started?  
I'm so glad I found you there  
Oh, I'm so glad I found you there

Ohh, I'm so glad I found you there
