

Freedom

Jennifer Warnes

Oh what does freedom look like?
An eagle flying high
As careless as the topsail
Wavin' in a fearless sky

Oh what does freedom taste like?
Salt from the briny sea
Waves leap for the starboard bow
As if to welcome me
To welcome me
To welcome me

Freedom
Freedom never leaves someone behind
Oh, freedom (free)
Freedom never leaves someone behind
(Freedom)

Oh, what does freedom move like?
It walks, it runs, it leaps
It knows just where its goin' and
It goes just where it pleases

Oh what does freedom sound like
(What does freedom sound like)
Laughter in the wind
And doors that swing wide open;
"Friend, come in and be at peace
Right here with me"

Freedom (freedom)
Freedom (free!)
Never leaves someone behind
Oh, (whoa, freedom)
Freedom
Talkin' bout freedom
It never leaves someone behind
(Oh freedom, freedom
Aah, talkin' bout freedom)

It never leaves someone behind

(Freedom)
Freedom
(Freedom)
Freedom
(Never leaves someone behind)

Freedom
