## I'm Dreaming

## **Jennifer Warnes**

Watching all the fishing boats coming Lying back in the warm, soft sand Seeing you with the sun in your eyes

Looking 'round with the wind in my hair Easing down without a care Touching you under sweet summer skies

There's a place I can go to any time I feel myself unwind And oh, the feeling's fine

I'm dreaming of a time beyond today
When you turn to me and say
You'll always feel this way?

I'm dreaming of a sun that never sets
Of a life without regrets
In a world that lets its lovers' dreams come true

Taking time to talk to each other Finding out who we really are Being happy, being here with you

Feeling sure that the feeling will last Even when this dream is past We will see our love come shining through

I'm dreaming of a time beyond today
When you turn to me and say
You'll always feel this way?

I'm dreaming of a time beyond today
When you turn to me and say
You'll always feel this way?

I'm dreaming of a sun that never sets
Of a life without regrets
In a world that lets its lovers' dreams come true

Dreaming of a time beyond today When you turn to me and say You'll always feel this way?

I'm dreaming of a sun that never sets
Of a life without regrets
In a world that lets its lovers' dreams come true
