

# Run To Her

Jennifer Warnes

If you've found another girl  
Who satisfies you more than I do  
Run to her, I'll step aside

If you think her lips can kiss you  
Better than my lips can kiss you  
Run to her, forget my pride

If someone else's arms can hold you  
Better than my arms can hold you  
Go to her and show to her all your devotion

If somebody else can make you  
Happier than I can make you  
Run to her, my tears will dry

But, if it's me you want to love you  
I'll be more than glad to love you  
Hold you till your life is done  
But, darling, if I'm not the one  
Then run to her

But, if it's me you want to love you  
I'll be more than glad to love you  
Hold you till your life is done  
But, darling, if I'm not the one  
Then run to her
