

# Up Where We Belong

Jennifer Warnes

Who knows what tomorrow brings  
In a world, few hearts survive  
All I know is the way I feel  
When it's real, I keep it alive

The road is long  
There are mountains in our way  
But we climb a step every day

Love lift us up where we belong  
Where the eagles cry on a mountain high  
Love lift us up where we belong  
Far from the world below  
Up where the clear winds blow

Some hang on to used to be  
Live their lives, looking behind  
All we have is here and now  
All our life, out there to find

The road is long  
There are mountains in our way  
But we climb them a step every day

Love lift us up where we belong  
Where the eagles cry on a mountain high  
Love lift us up where we belong  
Far from the world below  
We know, up where the clear winds blow

Time goes by, no time to cry  
Life's you and I, a live today

Love lift us up where we belong  
Where the eagles cry on a mountain high  
Love lift us up where we belong  
Far from the world  
We know, where the clear winds blow
