

Firecracker

Jens Lekman

firecracker, firecracker
blow me away
firecracker, firecracker
blow me away

even if there will be no more dawn
don't forget to see (???)

new years day
tradition of fog
and firecracker smoke
yesterday was a joke
I nearly choked
on a coke
cause I wanted to know
what it would be like
if the (??) were right

if the utopia didn't drown
be care free
turn our backs

firecracker, firecracker
blow me away
firecracker, firecracker
blow me away

even if there will be no more dawn
don't forget to see (???)

firecracker, firecracker
