I 'd like to take the time

To love your body, rub your body, kiss and hug your body

Girl say ooh ooh ooh I like ooh ooh ooh I like

So I'm gun take the time to love your body, rub your body, kiss and hug your body

Girl say ooh ooh ooh I like ooh ooh ooh I like

Baby don't you know I'm here to get my lesson

Something bout your body girl

Just gives me direction how to find that spot

I ain't Young Money girl but my bed rock

So won't you let your hair down

Let me take a picture

Tell me what's your zodiac

This is my description

Girl and I don't stop

That's right we go from 6 to 9 o'clock

I ain't to proud to beg yeah

(You're my super star)

It's all up in my head oh yeah

(Cause baby you and me got some privacy)

I 'd like to take the time

To love your body, rub your body, kiss and hug your body

Girl say ooh ooh ooh I like ooh ooh ooh I like

So I'm gun take the time to love your body, rub your body, kiss and hug your body

Girl say ooh ooh ooh I like ooh ooh ooh I like

Let me touch your body

Like when you be fresh up out the tub and you rub that lotion

Make you get on all fours and put one leg up

Like your bodies doing three wheel motions

In the ocean, toastin, over dosin, toastin with the magic potion

Told em that they cant hold or control em no one

Im a Magnum Trojan golden like the wrapper

Lookin dapper, then I put her on her back and attack her

No time for the chitter chat, just gimme the kitty kat

And you'll get it back after

We set the mood right

Giving you a little relaxation

Ima get your groove right

Take your body on a little vacation

We island hoppin, and clubs is rocking, and haters jockin

Trunk pop lock droppin, and speakers knockin

And bottles poppin

I could talk all day

Let me stimulate your mind

While I tell you what I like in you

But for now ima just sit back

Let jeremih tell you what he'd like to do

I 'd like to take the time

To love your body, rub your body, kiss and hug your body

Girl say ooh ooh ooh I like ooh ooh ooh I like

So I'm gun take the time to love your body, rub your body, kiss and hug your
body

Girl say ooh ooh ooh I like ooh ooh ooh I like

Girl say I-I-I

Girl say I-I-I

Girl say I-I-I

Girl say I-I-I
