

# Carriers

Jeremy Camp

I hold the torch high, that bears Your name  
I give you my life, to fan the flame

Everywhere I go  
Let Your heart be known  
With a light that's bold  
I wanna carry You

Fire of heaven, fall down on us  
To be carriers, carriers  
Filled with Your power  
Filled with Your love  
To be carriers, carriers  
Into all the world we'll go  
Until every nation knows  
The name of Jesus, the name of Jesus

In truth and power, You lead the way  
Moved by the Spirit, the dead will wake

Everywhere I go  
Let Your heart be known  
With a light that's bold  
I wanna carry You

Fire of heaven, fall down on us  
To be carriers, carriers  
Filled with Your power  
Filled with Your love  
To be carriers, carriers  
Into all the world we'll go  
Until every nation knows  
The name of Jesus, the name of Jesus

Prepare the way for the Lord and for His glory  
The One who reigns forevermore, He is returning  
Prepare the way for the Lord and for His glory  
The One who reigns forevermore, He is returning  
Prepare the way for the Lord and for His glory  
The One who reigns forevermore, He is returning!

Fire of heaven, fall down on us  
To be carriers, carriers  
Filled with Your power  
Filled with Your love  
To be carriers, carriers  
Into all the world we'll go  
Until every nation knows  
The name of Jesus, the name of Jesus  
Into all the world we'll go  
Until every nation knows  
The name of Jesus, the name of Jesus  
The name of Jesus, the name of Jesus
