

# Glory to the Lamb

Jeremy Riddle

How strong did darkness appear  
'Till His light drew near  
And shattered the black  
Putting evil to flight  
Waking dead hearts to light  
The Father, revealed

All sin, all darkness, all shame  
It is all washed away no judgment remains  
For those under His blood His redemption and love  
He is calling us near No reason left to fear

Come let us worship and adore  
Kneeling lower now before Him  
Giving glory to the lamb

Come let us worship and adore  
Kneeling lower now before Him  
Giving glory to the lamb

How strong did darkness appear  
'Till His light drew near  
And shattered the black  
Putting evil to flight  
Waking dead hearts to light  
The Father, revealed

Break out in glorious song for the victory is won  
He has broken apart every prison and shame  
He has vanquished the grave  
The good news is clear salvation is here

Come let us worship and adore  
Kneeling lower now before Him  
Giving glory to the lamb

Come and worship Christ the Savior  
Come with joy and offerings  
Come and worship Christ the Savior  
Come adore the King of Kings

Come let us worship and adore  
Kneeling lower now before Him  
Giving glory to the lamb

Come let us worship and adore  
Kneeling lower now before Him  
Giving glory to the lamb
