

You Should Get to Know Me

Jeremy Zucker

I took a picture with you tonight
You look like somebody out of a fashion magazine
I know you think that I'm not polite
You should get to know me
Swear I'm not as bad as I seem
Oh, oh, oh I'm not as bad as I seem
Oh, oh, oh I'm not as bad as I seem

You should get to know me
Same old dude you could treat me like your homie
Call if you're sad or holler if you're lonely
With those eyes alone baby you could be my only
Let's take a chance just call when you come through
Easily I'd be the man you could run to
Sleep with an eye open right by my side and
You'll see I ain't got much to hide

I took a picture with you tonight
You look like somebody out of a fashion magazine
I know you think that I'm not polite
You should get to know me
Swear I'm not as bad as I seem
Oh, oh, oh I'm not as bad as I seem
Oh, oh, oh I'm not as bad as I seem

I'm not some alpha male that you see
On movies and TV, no that's just not me
Look at me closer, you judge from afar
Bang on my body see I do no harm
I'm not some 80's jerk on the screen
Varsity jacket who hangs with the team
Thought we left high school, no cliques anymore
Act like a lady, leave tricks at the door, at the door

I took a picture with you tonight
You look like somebody out of a fashion magazine
I know you think that I'm not polite
You should get to know me
Swear I'm not as bad as I seem
Oh, oh, oh I'm not as bad as I seem
Oh, oh, oh I'm not as bad as I seem

How do you know, where I'm going
You show me where I won't fall
Do you know where I'm going
You show me where I won't fall
Oh...
