

Cadillac Cowboy

Jerry Jeff Walker

Hold tight to the leather fist
Watch out when he starts to twist
That's what daddy used to tell them boys
How to ride them bulls
There's a jingle in my jeans
Sore places in between
I'm leavin' old Fort Worth
With a push and a pull

Ten four buddy come on back
A horse trailer on a cadillac
Yea we're talkin to the cowboy
In the coupe de ville
Chug a luggin' up one side
Slidin' down the(A)other.
Well i'm a lover of the other
Side of the hill

Bandana hangin' on the mirror
Still wet from ear to ear
Well I guess it's true then
What the wise men say
When you ride your last one
Make sure he's a fast one
Jump while he's movin'
Keep your hat boys and walk away

Chorus

Turn up that radio
Don't think about a rodeo
Don't think about a roundup
Out in old Cheyenne
It's a crazy circuit
But still you work it
Turn down that sound boys
Let's get up and check the scan
