

He Can't Fill My Shoes

Jerry Lee Lewis

There they go, and there goes my satisfaction on his face
He's got her now, and he's so proud, he's walkin' in my place
But I was first, quenched the thirst, A thirst she now can't lose
He's walkin' in my tracks, but he can't fill my shoes

Every where he's goin', I've already been
I made the path that leads the way, for all those other men
No man I know could ever go through the Hell she put me through

He's walkin' in my tracks, but he can't fill my shoes

Every where he goes, Jerry Lee's already been
I made the path that leads the way, for all those other men
No man I know could ever go through the Hell she put me through
He's walkin' in my tracks, but he can't fill my shoes

He's walkin' in my tracks, but he
