

# Simon Says

Jesca Hoop

Pounds falling out my pocket  
We went straight out and bought it  
Candy stripes, stars, and swishes  
Standing in a line

The satellite connects  
We're hypnotized by TV sets  
Of sing along commercial  
and [?]

Dodahdodadoo

We won't talk about it  
Round the clock about it  
Scheme about it  
Dream about it  
Eat it all the time  
It's on the grocery list  
Below the cream above the chips  
But Simon says we've got to listen  
Tell us what we like

Cause I like what I like  
Oohwaahoh  
I like what I like  
Oahwoah  
But why  
Do I  
Do I  
Do I  
Do I  
Do I  
Do I  
Do I  
Do I  
Do I

WWW.  
Don't forget life before the internet  
The streets were run by sharks and jets  
And children running wild

As we pixellated  
Generation  
Children become application  
[??] and pollinators  
Buying by and by

Cause I like what I like

We won't talk about it  
Round the clock about it  
Scheme about it  
Dream about it  
Even when we die  
It's on the grocery list  
Below the cream above the chips  
But Simon says we've got to listen

Tell us what we like

We still talk about it

Can't stop talking

Cause the needle in the haystack is a splinter in your mind

It can get quite confused

When you don't pick the words you chose

And voluntarily advertise of all the enterprise

Cause I like what I like

Ahhahh

I like what I like

Wooahoh

I like what I like

Woooahh

But why

Do I

Do I

Do I

Do I
