

# I'm Not Lisa

Jessi Colter

I'm not Lisa, my name is Julie  
Lisa left you years ago  
My eyes are not blue  
But mine won't leave you  
'Til the sunlight has touched your face

She was your morning light  
Her smile told of no night  
Your love for her grew  
With each rising sun

And then one winter day  
His hand led hers away

She left you here drowning in your tears, here  
Where you've stayed for years  
Crying Lisa, Lisa

I'm not Lisa, my name is Julie  
Lisa left you years ago  
My eyes are not blue  
But mine won't leave you  
'Til the sunlight shines through your face
