

What's Happened to Blue Eyes

Jessi Colter

I'm looking for Blue Eyes, has anyone seen him'
Don't you tell me, he gave up on me.
I'm looking for blue eyes, I've got to find him.
Oh something tells me, he's looking for me

There was a time when blue eyes said there was no other
His one and only love, he swore I'd be.
There was a time, when his blue eyes saw clearer than mine did
Storms and rain, tears and pain, bring me back his way

Looking for Blue Eyes, has anyone seen him'
No don't you tell me, he gave up on me
I'm looking for blue eyes, I've got to find him.
Oh something tells me, he's looking for me

I'm looking for Blue Eyes, has anyone seen him'
